Start Box

Your stage parameters

Stage name	Symtac Skills Gauge	Procedure	Setup notes
Start Position	CQB position	Start with 4 slugs in the shotgun, plus 1 slug in a sidesaddle/matchesaver/etc (NOT in hand or mouth). On start signal, fire one round at T1 from CQB/short-stocked position. Transition to T2, fire 3 slugs to the body. Emergency reload, then fire one slug to head of T2.	For the purposes of this test, the entire head box is considered down zero. Every point down adds 1 second to overall time. Missing the headshot adds 2 seconds. Coin time is 6 seconds with a pump gun, 5 seconds with an auto.
